To the Class of 1979:

Here at M. S. J. we have grown in the realization that each of us is unique. True and meaningful friendships have developed through the years and have given us a strong awareness of other people's feelings.

M. S. J. has taught us many things, but most of all we have learned how to be ourselves. The M. S. J. Community has given us a foundation on which our futures will be built.

Now, taking all the knowledge that our "teachers" have imparted to us, we go out into the world to be the best that we possibly can be.

Our road in life may be marked by some failures, but our only real failure is to quit.

In closing, we would like to wish the Senior Class of 1979 the best of everything as they travel the road of life.

Best Wishes,

*Theresa  
Basil*

RUTLAND - VERMONT 05701

November 20, 1978

To the Class of 1979

Four years ago you came to M.S.J.  
as new Freshmen. That was also the time  
that I became the school's principal.  
Because of that you are special to me.  
We shared a beginning together.

Now it is time for you to look  
toward the future. Always keep in mind  
the spirit and principles you learned at  
the Mount.

We wish you God's blessing and  
presence all the days of your lives.

As we say goodbye to you as students  
it is my privilege to welcome you to the  
M.S.J. Alumni Association.

Sincerely,

*Patricia Lavelley*

This year, as in every year, the Elks Club sponsors a day in which the students of Mt. St. Joseph Academy and Rutland High School are asked to participate in the difficult task of running our city government. This year those students who so aptly ran our city were: Cindy Battles, Colleen Lee, Ann Mytych, Marie Tatro, Mike Abatiell, Chris Hackett, Andy Hock, John Mytych, Basil Valente and Mike Zambon.

On a larger scale, a few of our students were chosen to set up their own State government and make it run efficiently. Those students who were so honored are as follows: Peggy Bizzarro, Joanne Cioffi, MoMo Daley, Lisa Sullivan, Larry Jones, Matt Motroni, Bill O'Rourke, and Dan Solari.

The Mounties kept up the MSJ tradition of winning with an excellent 8-1 record. Many thought the Acads would finish at 5-4 or worse because of their lack of size, but with speed, pride, desire, a tough defense, and expert teaching from the coaches, Cioffi and Zingali, they ended the year tied for first in the SVL, but because of a loss to Brattleboro, they forfeited a chance of going to the States. The capping to the Mountie season came when they handed the heavily favored Raiders a 20-15 loss, destroying their chances of going to the State Championship Game.

## DRAMA AT M.S.J.

The entire theater program at Mt. St. Joseph Academy is founded upon the principle that students share a sense of community when working and cooperating together in dramatic activities.

This year's production of the community musical "The King and I" involved close to two hundred individuals from the Rutland area. The three-and-a-half hour production for four evenings was enjoyed by over two thousand people. The impressive number of friendships among Rutland High and Mt. St. Joseph students, as well as with many adults, was indicative of the real success of the show.

The Mt. St. Joseph entrant in the State One-Act Play Competition was "Waiting for Lefty," an ensemble play in the Mt. St. Joseph tradition of presenting plays involving large numbers of students. Mt. St. Joseph has won the State One-Act Play Championship and entered the New England One-Act Play Festival as Vermont's entrant for three of the last four years.

The directors of the drama activities at Mt. St. Joseph, Martha and David Wolk, applauded the efforts of many people without whom drama would not be possible. The Wolk's cited choreographer Lorraine Gilbert, musical director Marc Saint-Germain, technical directors Geoff and Chris Hebert, producer Margie Canary, and stage manager Sande Ley, among many others, as largely responsible for the success of the annual Mt. St. Joseph Community Musical.

## THE CAST

## THE STORY . . .

HELLO OUT THERE tells about the bad luck of an itinerant gambler who is arrested and jailed in a small Texas town, charged with rape. The charge is a lie, but the only one who hears his call for justice and understanding is a young girl who cooks for the jail. The gambler gives all his money to the girl before a mob breaks into the jail and the lying woman's husband shoots him.

# The Golden Chain of Friendship

Friendship is a Golden Chain,  
 The links are friends so dear,  
 And like a rare and precious jewel  
 It's treasured more each year...  
 It's clasped together firmly  
 With a love that's deep and true,  
 And it's rich with happy memories  
 And fond recollections, too...  
 Time can't destroy its beauty  
 For, as long as memory lives,  
 Years can't erase the pleasure  
 That the joy of friendship gives...  
 For friendship is a priceless gift  
 That can't be bought or sold,  
 But to have an understanding friend  
 Is worth far more than gold...  
 And the Golden Chain of Friendship  
 Is a strong and blessed tie  
 Binding kindred hearts together  
 As the years go passing by.

"The tab Generation!!!!"

"We have to stop meeting this way!!"

"It's so hard to get up in the morning!!"

"It's Alka-Seltzer time!!"

1939 TO 1979

Mt. St. Joseph Academy, 1939

This year marks the 40th anniversary of the Mount at M. S. J. Both the Mount and the school itself have seen many changes. The school has expanded to include a new building and many new students. The year-book has accommodated these changes to include such new organizations as the Key Club, Student Senate, and DUO. The first editor, Mr. Robert Reardon, assisted by Miss Mary Quinn, created an annual which portrayed the activities of their four years at M. S. J. In this respect, the format of the Mount has not changed, for it still records the events of student life. Here's to the future and another 40 years.

with the soft "shhh...shh..." of your skis

Here and there,

Ever so gently

And suddenly, magically,  
you've found the mountain's rhythm!  
You're flying, soaring, feeling your spine tingle, seeing the trees

Sr. Agnes Marie has devoted both her life and her spirit to the MSJ community and to the education of its students. Although she has retired from the teaching profession, here at Mount Saint Joseph, she has not retired from the strong spirit of the MSJ community. Her loyal devotion to the individuals at Mount Saint Joseph Academy will always remain here with us ... With a great deal of appreciation we say:

THANK YOU SISTER AGNES MARIE!!

We would like to take this opportunity to thank all the people who have contributed their time and talents to this 1979 yearbook!! Each one of these individuals had to be dedicated, unselfish people who were willing to look on the bright side, and laugh a little, even when it was ten o'clock and our homework was still ahead of us.

To Michelle Raiford and Bridget Gilligan - thank-you for your many hours of dedication; and to Kelly Campbell and Joelle Reed - thanks for your time and assistance.

We also extend a very special note of thanks to our advisors: MRS. COYLE and MR. FLORY.

auf Wiedersehen,

*Theresa + Basil*

## In Loving Memory

"In one sense there is no death. The life of a soul on earth lasts beyond her departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things she touched, worked with, loved as familiar friends. Joan lives on in your life and in the lives of all others that knew her."
